

# *Streetsbrook Infant & Early Years Academy*

The Government is continuing to provide funding of £150 million in 2016/17 to support and enhance the quality of sport in primary schools and in developing healthy lifestyles. (The funding may continue after this but this has not been confirmed by the DfE).

## **Allocation**

Funding for schools has been calculated on the number of primary aged pupils (between the ages of 5 and 11) based on the annual census figures.

Based on a full year, all schools with 17 more primary aged pupils will receive a lump sum of £8,000 plus a premium of £5 per pupil. This will mean Streetsbrook receiving a total of £8,600.

## **For the Academic Year 2015-16 the grant was used in the following ways:**

- Specialist coaching and fitness testing
- Professional development opportunities for all staff
- PE leadership time
- Lunchtime activities
- Extra-curricular activities, including Boxercise and Tennis
- Sports competitions and events

## **Academic Year 2016-17**

In April 2016, Streetsbrook received a grant of £3,583 for school sports. An additional £5,017 will be received in October. This money has been allocated in a number of ways to support the on-going development and quality of sports and PE for all children:
