

Minutes of Safeguarding Committee

Date: 2nd November 2017, 2.30pm

Location: Mrs Butlin's Room

Attendees: Mrs Butlin, Lily (1D) Maxi (1S), Esha (2A), Samuel (2F)

Agenda Items- welcome

Everyone was welcomed and we discussed that the school needed their help to be special agents. SSS Streetsbrook Special Safeguarders working to keep Streetsbrook safe!

Safe and Secure?

The children thought about what made them safe..... they stated the teachers made them safe and the locked doors helped. They thought about signing in by parents and smoke alarms and knew that you could not fight a computer fire with water. They all stated that parents leave open gates in school and these need to be closed!

Fire and General Safety

Finally Mrs Butlin had prepared a school quiz treasure hunt. The SSS walked around school looking for, finding and discussing the photographs on the sheet.

Sharing Safety

The children kept their sheets to share at the main school council meeting. It is hoped all teachers can access and do a ten minute quiz with each class. The SSS, if you have one in each class can host and discuss. The team thought all of the school needed to know what they had learnt today. The quiz is on the 'w' drive under Safeguarding. It will also be attached to these minutes to share the meeting information, so everyone is safe at Streetsbrook. All of the Safeguarders are brilliant at explaining!!

'Keeping Streetsbrook Safe' is their chosen motto...accompanied with a superman hand thrust!

Next Meetings

- Safeguarding: Tuesday 28 November at 2.15 – 3.00pm
Mrs Butlin's office- Medicines
- Safeguarding: December TBC – E Safety Mrs Smith
