

ECO Team minutes: 16 November 2012

1. Welcome

2. Badge update

Mrs Miller told the children that ECO team badges used to be given out in the past but they've been lost. Therefore the decision has been made to order a coloured spot badge instead. Green means ECO team, yellow means School Council. These will be available sometime after Christmas.

3. Carbon Reduction Programme – Special Assembly

At Tuesday's assembly – all Eco Team members will be at the front while Mrs Miller talks about the Carbon Reduction Plan. Mr Price and Mrs Flanagan will also attend.

4. Eco Action Plan

Progress against the Action Plan has been very encouraging!

- Food for Life Silver Award – The Eco Team will help Mrs Clarke with this.
- Litter pick will take place in the summer term.
- European week and Harvest Festival have taken place.
- All classes are to go on a seasonal walk – each time the season changes children should go for a walk to see how things have changed.
- Compost collection – Year 2 are very busy so collections haven't happened this week. This will start again next week.
- Bags2school amount – we raised £310 from 620 kg of clothes! Well done everyone.
- Music Magpie – box to be collected, LS to organise.
- Printer recycling – to be set up – awaiting letter approval.
- Milk bottles – a plastic recycling box can be set up but the plastic bottle must be empty before it can be put in there. There were some worries about the bottles smelling – do they need washing out first, if so who will do this? Mrs Miller to discuss this with the staff.
- Recycling in the staffroom – the teachers need to make sure they recycle empty containers rather than throwing them away.

5. A letter from Ben

Ben went to Australia and has written us a letter! This was read out by Mrs Miller.

6. Music Magpie

See notes above

7. AOB

8. Date, time and venue of next meeting:

Friday 25th January 2013, 11:30am
