

## Streetsbrook Eco Team Minutes - Friday 20th September 2013

### 1. Welcome – Old members and new members

Mrs Miller welcomed everyone to the first Eco Team meeting of the year.

Everybody introduced themselves and said which class they represented.

Mrs Miller pointed out that she was the only adult on the Eco Team this year and asked all members to think about what we could do about this

Suggestions:

- ask other teachers
- ask parents
- tell Mrs Minter

It was decided that all representatives would ask their parents and Mrs Miller would ask the teachers, Mrs Minter and school governors.

### 2. Eco Code Review

The Streetsbrook Eco Code was reviewed and two amendments made.

(See attached)

### 3. Eco Action Plan

Due to lack of time and adults discussing the Eco Action plan was postponed until the next meeting.

### 4. Compost collection

The Year 2 classes decided to take it in turns to collect compost (changing over each half term)

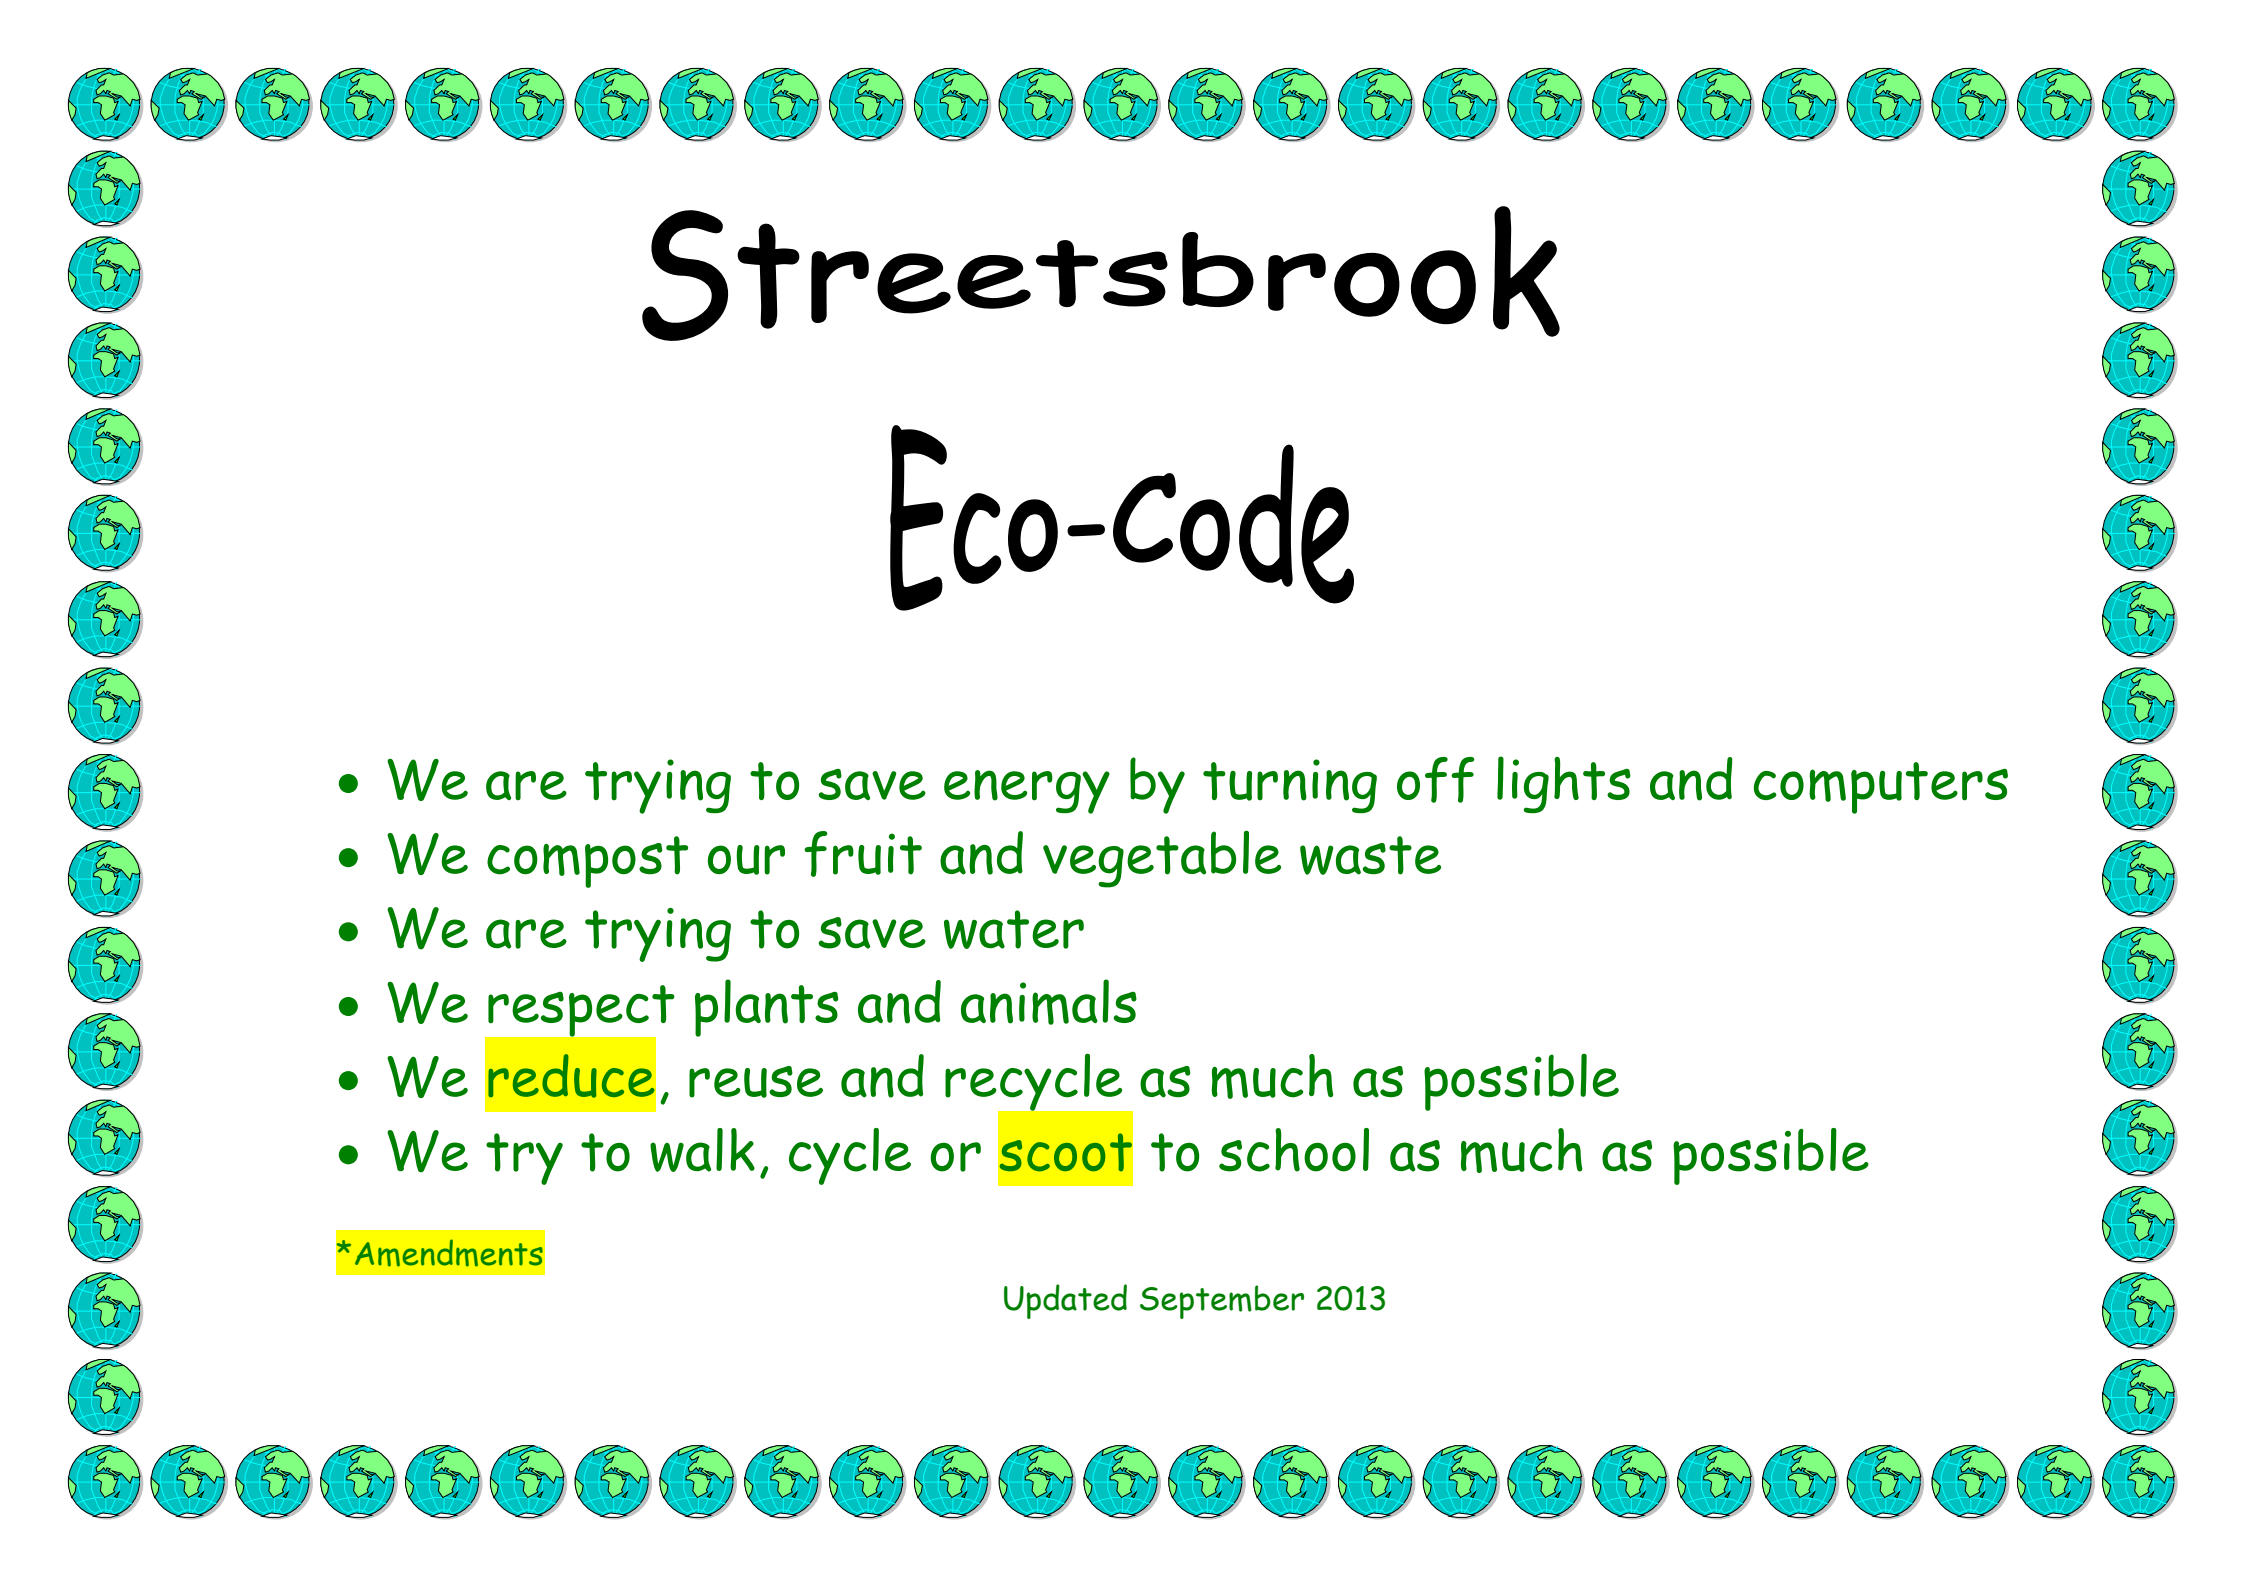

It was reported that the compost bin by the shed is full.

Children were uncertain who empties this bin now as Mrs Taylor is no longer doing it. Mrs Miller agreed to find out.

### 5. Any other business

Mrs Miller thanked everyone for attending and issued new Eco Team badges to all representatives.

Date of next meeting – Friday 15<sup>th</sup> November

# Streetsbrook

## Eco-Code

- We are trying to save energy by turning off lights and computers
- We compost our fruit and vegetable waste
- We are trying to save water
- We respect plants and animals
- We **reduce**, reuse and recycle as much as possible
- We try to walk, cycle or **scoot** to school as much as possible

\*Amendments
