

Streetsbrook School Eco Team  
Minutes - Friday 6 March 2015

1. Welcome

Everyone was welcomed to the meeting. Apologies received from Sue Rose (Governor)

2. Mushrooms

Mrs Troughton asked Eco Team to complete propagating some mushrooms. Some children in Year 2 had begun the process but the mushrooms required to be kept in a warm dark place for two days.

Eco Team added some special compost and placed the mushrooms in a cooler dark place. Now we wait...

3. Scootability

Mrs Miller introduced Eco Team to the Scootability scooter training programme to be introduced in Year 1 this May. Everyone thought it was a good idea, especially Mrs Troughton - her daughter was hospitalised by a scooter accident a few years ago!

4. Stroll and Roll

The new 'walk to school' resources from Solihull Council were displayed and discussed. Everyone loved the trophies but Mrs Miller and Mrs Troughton expressed concerns about how we could organise the sticker allocation fairly. (One sticker for every 5th Stroll or Roll journey to school) Eco Team offered to help with this which was fantastic! Clara expressed concern about those children who find it difficult to Stroll or Roll due to working parents. Mrs Miller agreed to see if she could think of a way to make it work at Streetsbrook. She suggested trialling it after Easter and asked Eco Team for help to present an Assembly to explain Stroll and Roll to everyone.

5. Any other business

There was no other business.

Date of next meeting - 12.00 Friday 8 May 2015
