

## Bag 2 School on Friday 11<sup>th</sup> November 2011.

At Streetsbrook we all know our three R's Reduce, Re-use and Recycle. Look how we achieved this today with all these bags of old materials and they helped to fund raise for the PTA as well!

**Mrs Smitten, Parent Representative from Eco – Schools, masterminded the whole event! Well done everyone!**

The van was not big enough for all of our bags!! So they had to send for another.....
