

# Sponsored Swim

Streetsbrook had a really fun completing our sponsored swim to help raise money for Lashika Samarathunga who lives in Sri Lanka.

We were all really enthusiastic and made sure that we tried our very best.

Some of our Mums and Dads came to cheer us on. What a fun way to raise money!

Streetsbrook are very lucky to have their own swimming pool to be able to do activities like this.

In total we managed to raise a super **£449.90**. We are all very proud of ourselves! We would like to thank all of our families for their sponsorship.
