

On Monday 6<sup>th</sup> February, we held a Jumble Sale in school in order to raise money for Water Aid – an international charity that helps to transform lives by improving access to safe water, hygiene and sanitation. Two of our School Council members Thomas (Yr2) and Alexa (Y1) spoke very passionately at the beginning of the academic year about wanting to help people and children who currently do not have access to clean water and how poorly this can make them. It was therefore decided, after consultation with the rest of the School, that we would sell unwanted or no longer used toys at a Jumble Sale. We are delighted to inform you that we raised a grand total of £330.00. We would like to thank everyone who donated and purchased the toys.

Raising money for

Some of the School Council Children getting ready to sell all of the donated toys.
