Dear Parents,

## Re: Accessibility

Streetsbrook Infant & Early Years Academy is keen to make sure that we do not make it difficult for any child, young person or adult to be involved in every part of school life.

At the moment governors, parents, staff and children are working on the Accessibility Action Plan and we need the views of our parents and children.

Some children are already entered on our school records as suffering from an allergy, medical condition or have a specific learning difficulty, but we are eager to gather the views of all our stakeholders.

We would be grateful if you could talk to your child about the effect any allergies, medical conditions or learning difficulties may or may not have on his/her schooling and complete the attached questionnaire.

The questionnaires should be returned to the school office by 1 March 2018.

As always your support is much appreciated.

With very best wishes

Yours sincerely

Mrs L Minter  
Headteacher
