Dear Parents,

Re: Nursery Circus Workshop

We would like to invite you in to take part in some fun filled circus activities with your child.

Our 'Roll up! Roll Up!' topic is well underway and the children have been inspired. They have had some wonderful ideas for how to put on a Circus and are busy getting their ideas ready to test in real life situations. What better audience to have than their own parents or Grandparents!

This will be happening on Wednesday 23rd May and will last until the end of the Nursery session:

- 10.30am for Morning Nursery
- 2.00pm for Afternoon Nursery

Children are welcome to come to Nursery that day dressed as a circus act.

The session will involve working with your child to take part in a variety of Circus activities designed by the Nursery children themselves. The activities planned will have a focus on all areas of the Early Years Foundation Stage Curriculum and also challenge the children and yourselves to use the Characteristics of Effective Learning, something you will learn more about during the session.

All you need to do is turn up and have fun at the Circus and hopefully you will take away happy memories and a more in depth knowledge of how the Early Years Curriculum works.

If you are unable to come you are more than welcome to send someone else to work with your child.

We look forward to seeing you there.

Kind regards,

Mrs Z Ward
AM Nursery Teacher

Miss J Palmer
PM Nursery Teacher
