Dear 2F Parents

Re: 2F Class Trip to The Design and Engineering Department at Aston University Friday 4 May 2018

As part of the Life Ready initiative, the children in 2F have very kindly been invited to visit the Design and Engineering Department at Aston University. The main purpose of the trip will be to learn about further studies at University, some of the different career paths within the mechanical engineering field and the some of the skills needed to undertake certain roles. The children will also be taking part in an engineering workshop where they will create a mini wind turbine model and they will test them to see how effective they are!

The children will leave school around 9.30am and will return to school at approximately 2.30pm. The children will need to wear their school uniform as normal.

Universal Free School Meals means that your child is entitled to a packed lunch provided by school. Children have the option of one sandwich filling (cheese, ham or tuna). Also included in the packed lunch are carrot/cucumber sticks, a piece of fruit and a slice of cake/shortbread. Parents are asked to provide a suitable drink for the day, preferably in a disposable carton. If you prefer, you may send your child with a packed lunch from home.

We are asking for a parental contribution of £6.33 to cover the cost of transport to and from Aston University. Please contact the school office if you are experiencing any problems with making this payment on ParentPay, or if you need a bar coded letter. When making your payment, please indicate in the Notes Field which sandwich choice your child would like. Please note that the children will not require any money on the day.

If you are able to help on the trip, could you please speak to Mr Fogarty.

We look forward to an exciting and inspiring visit.

Many thanks for your support.

Yours sincerely

Z.N. Smith
