Dear Parents

## Re: Streetsbrook Childcare Fees

I write to you on behalf of the Governing Body to inform you that our Childcare fees will increase by 5.5% from September 2018.

This difficult decision was agreed by Governors after thorough consideration, following a detailed review of all our operating costs, including staff costs which have risen by up to 7.9% due to the Local Government Association pay deal. The increases have been kept as low as feasible but are essential in maintaining the highest quality standard of provision in Childcare, and in maintaining the links to the teaching provision at Streetsbrook.

I would also add that we regularly measure the pricing structure of other local Childcare settings, ensuring that our session costs remain competitive yet affordable.

For those parents of children who access our full-time care, we have ensured you have enough notice to make the necessary arrangements regarding funding sources such as Working Families Tax Credits, as well as allowing parents enough time to source other childcare alternatives if necessary.
