7 June 2018

Dear Parents

## Re: My Money Week

My Money Week is a national activity week for primary and secondary schools that provides a fantastic opportunity for young people to gain the skills, knowledge and confidence in money matters to thrive in our society. The tenth 'My Money Week' takes place from 11 - 17 June 2018.

At Streetsbrook we will be marking 'My Money Week' by participating in a whole school 'My Money Day' on Monday 11 June, when children will be exploring 'money' in a variety of ways.

During the day we will investigate mathematical aspects of money such as coin recognition, understanding the value of different coins and notes, shopping, finding the total and calculating change, but we will also consider issues such as why we have money, how we spend our money, ways to earn money and why saving money can be important.

Linked to this we would like to invite families to participate in a money related, fund-raising, challenge. All money raised will be used to support mathematical learning at Streetsbrook. Each class will be directly responsible for deciding how their money is spent, thus extending their 'money' learning still further (please see the My Money Week Challenge in your child's book bag).

Please attach your 'coin answers' using clear sticky tape. You may wish to attach it to some firm card, e.g. the back of a cereal box, to make it more secure.

All children who participate will be entered into a prize draw. Please return all entries to class teachers by Wednesday 20 June.

Thank you for your support and happy coin hunting!

Yours sincerely

E Miller  
Maths Lead
