

HALF-TERMLY UPDATE - NURSERY

Summer Term Topic, 2nd Half-term 'Zoom, Zoom, Zoom!'
(please see parent overview details)

June 2018

Our topic for the 2nd half-term is 'Zoom, Zoom, Zoom' and all about transport. The topic will encompass aspects of work from all seven areas of the Early Years Foundation Stage Curriculum and incorporates the Early Learning Goals that relate to the curriculum and expected attainments of children in Nursery and Reception.

We have outlined on the next page some of the ways in which this topic will link across the curriculum, and we have shown some of the activities in which your children will be involved in order to help with developing appropriate skills, knowledge and understanding. Weekly Contributions

I should like to thank those of you who have already sent in your weekly contributions for this term. The children have benefited from a range of activities this year to enrich their learning. Activities being funded by this term's contributions include on-going swimming lessons. We will also be enjoying a mini train ride on our trip and continuing to develop our Nursery outdoor area and garden. Without these vital contributions, such activities cannot take place. If you think you have not paid for this term, then please make your payment of £19.50, thank you.

Car Parking in Ralph Road & on Prospect Grange

If you travel to school by car, just a polite reminder to consider others when parking as we wish to maintain good relations with our neighbours. Please do not park on the pavement or block resident's drive-ways.
