Weekly Contributions

I should like to thank those of you who have already sent in your weekly contributions for this term. The children have benefited from a range of activities this year to enrich their learning. Without these vital contributions, such activities cannot take place. If you think you have not paid for this term, then please make your payment of £19.50, thank you.

Activities being funded by this term's contributions include on-going swimming lessons, refreshments for Sports Day, bread making, seeds, cooking resources and planting.

Car Parking in Ralph Road & Prospect Grange

If you travel to school by car, just a polite reminder to consider others when parking as we wish to maintain good relations with our neighbours. Please do not park on the pavement or block resident's drive-ways.

Thank you for your continued support.

Yours sincerely
